(JUDICIAL COUNCIL COORDINATED PROCEEDINGS)  
HALL OF JUSTICE ROOM 241  
Phone –(619) 531-3331 Fax – 619-515-8700**

Implementation of policies and procedures for JCCP is no different from Fastrack civil litigation. The nuances lie in the fact that JCCP cases are complex cases from different counties of the State of California that are potentially class actions. These actions are being coordinated and assigned to a particular county jurisdiction in order to save time and resources and to promote the ends of justice. The Chair of the Judicial Council is the Chief Justice of California who ultimately makes the assignment of the Coordination Trial Judge as requested by counsel involved and recommended by the Coordination Motion Judge.

So far, the JCCP categories assigned to San Diego jurisdiction include the following:

JCCP2754	BREAST IMPLANT
JCCP4003	LATEX
JCCP4041	TOBACCO CASES (Old)
JCCP4042	TOBACCO CASES II
JCCP4067	CSK AUTO
JCCP 4095	FIREARMS
JCCP 4151	DSL SERVICES
JCCP 4154	CIPRO CASES I & II
JCCP 4159	MONEY TRANSMITTAL
JCCP 4193	APPLIED MICRO-CIRCUITS
JCCP 4204/4205	WHOLESALE ELECTRICITY ANTI-TRUST
JCCP 4221/4224/4226/4228	NATURAL GAS ANTI-TRUST
JCCP 4233	ENTERPRISE OVERTIME CASES
JCCP 4241	AUTOMOBILE DEALERSHIP CASES
JCCP 4244	RENT-A-CENTER CASES
JCCP 4256	VERISIGN CASES

All documents should be filed in our JCCP Section in Room 241. Documents are processed faster when addressed directly to our JCCP Section rather than being handled by the Business Office before forwarding them to our JCCP Section.

No documents are being processed at the window. A self-addressed stamped envelope or an attorney service slip should accompany documents being submitted for filing to facilitate return of conformed copies.

Currently, four designated JCCP departments have websites. Six departments have opted to use the Courtlink electronic filing system and seven departments are keeping the customary filing procedures. Please visit the website at [www.sandiego.courts.ca.gov/superior/](http://www.sandiego.courts.ca.gov/superior/) to view available categories of interest to you. Websites available include Breast Implant Cases, Latex Cases, Tobacco Cases, and Firearms Cases.

The JCCP clerk's role in coordination proceedings is as follows:

- The JCCP Coordination Clerk verifies with the computer database whether the case has been filed and assigned a home court case number.
- If no record shows, reject the petition for coordination and advise counsel to file case with home court first. (Petition for Coordination is usually accompanied with an Order Assigning a Coordination Motion Judge from the JCCP Chair in Sacramento or a Motion to Coordinate (an add-on action or actions) with a pre-assigned JCCP title and case number.)
- If document is properly filed and above requirement is satisfied, access JCCP computer program and assign a new extension case number as designated by JCCP classifications and enter case information into the data base;
- Forward the document to Presiding Judge for assignment of a Coordination Motion Judge or assignment of a trial judge, whichever applies; and/or, forward documents to assigned judge if one has been assigned.
- Once a hearing has occurred on the motion to coordinate actions and the motion judge has rendered the ruling recommending coordination, moving party takes the order back to the Judicial Council Chair for assignment. In most cases, the motion judge gets the assignment.
- When the assignment is made, the JCCP clerk will serve the home court the Order of Transfer of actions directing the home court to forward file to receiving court. A copy of the order is provided to the Judicial Council Chair.
- Prepare a JCCP Master Case File with the designated JCCP case name and number pre-assigned by the Judicial Council Chair; (Example: JCCP 4004) All documents relating to ALL ACTIONS are filed in the master file while documents relating to a specific case are filed in the home court file.
- Upon receipt, clerk renumbers the home court case file with the JCCP Master Case number, adding an extension number designated for the individual case file (Example: JCCP4004-00001, etc).
- Clerk makes computer input and disseminates documents as appropriate.
- File processed documents.

NOTE: The JCCP section has grown from a one-desk clerk (who processes documents from start to finish) to a Staff of 4 as the Judicial Council Chair assigns more and more coordinated cases to San Diego Superior Court.
